

REMARKS

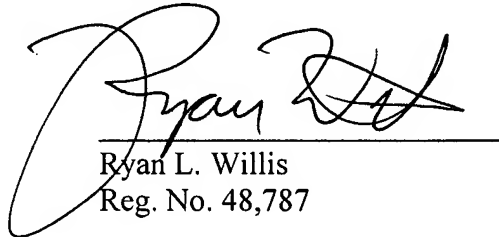

The instant preliminary amendment is submitted in order to re-write the originally filed multiple dependent claims in single dependent form. It should be apparent that this amendment does not narrow the scope of the claims and is not intended to do so.

The Commissioner is hereby authorized to charge any additional fees that may be required by this paper, or to credit any overpayment to Deposit Account 50-3072.

Conclusion

In light of the foregoing, it is respectfully submitted that claims 1-87, now pending, are in condition for allowance. Favorable consideration of the present application is respectfully requested.

Respectfully submitted,
